

Ireland - Alliance with PM Group Ireland

Monday 23 February 2009

PM Group and Fehily Timoney jointly provide a full range of services to the energy, environment, transport, waste, water and wastewater sectors in Ireland, the UK and Eastern Europe.

At the signing of the alliance agreement:

Back row, L-R: Gerry O'Sullivan, Director Fehily Timoney; John C O'Connell, Director PM Group Ireland; Oliver Tierney, Director Fehily Timoney
Front row, L-R: Brian Gallagher, MD PM Group Ireland; Eamon Timoney, MD Fehily Timoney.

Fehily Timoney has specialist expertise in the areas of waste management, renewable energy, transport and water infrastructure, and environmental sciences. PM Group and Fehily Timoney have previously worked together on environmental projects in Ireland and Eastern Europe. Fehily Timoney's skills, allied to PM Groups expertise in project delivery and their existing network of offices in Eastern Europe and the UK will allow both companies to jointly provide new services to clients in these regions.
